

**Explanation on Technical Benchmarks for development of DDMPs in Bihar (Bidders are advised to look at the explanation on the requirements for the technical proposal given in red colour font):**

As per **Section 31 (3) of the Act**, the District Plan shall include –

- (a) the areas in the district vulnerable to different forms of disasters (**identification of hazard hotspots, vulnerable locations/habitat and populations and/or section(s) and shown on GIS based map of the district**);
- (b) the measures to be taken, for prevention and mitigation of disaster, by the Departments of the Government at the district level and local authorities in the district (**department-wise; timelines – periodic, short, medium and long-term action plan**);
- (c) the capacity-building and preparedness measures required to be taken by the Departments of the Government at the district level and the local authorities in the district to respond to any threatening disaster situation or disaster (**existing resources, training and non-training interventions, community awareness, resources, facilities, etc. with timelines**);
- (d) the response plans and procedures, in the event of a disaster, providing for –
  - (i) allocation of responsibilities to the Departments of the Government at the district level and the local authorities in the district (**SOPs for key functions**);
  - (ii) prompt response to disaster and relief thereof;
  - (iii) procurement of essential resources;
  - (iv) establishment of communication links; and
  - (v) the dissemination of information to the public;
- (e) such other matters as may be required by the State Authority (**critical resources like hospitals, police stations, schools etc. shown on the map**).
