

**Queries and Clarifications – We have received some queries from some bidders seeking some clarifications. Below are some of the queries received and clarifications from BSDMA -**

1. What is the selection criteria, please elaborate - QCBS OR LEAST cost method. The selection could be technically qualified with least cost? Please mention the base and basis for selection?

**Clarification – It will be based on lowest cost method and based on technical evaluation the shortlisted bidders will be examined for their financial proposals.**

2. A single consultant or multiple agencies can be given subject to maximum number of districts allowed to be given to a particular agency?

**Clarification – It will be decided by the Technical Evaluation Committee after reviewing the Technical proposals and assessing the capabilities of bidding agencies and viability of number of districts to be allocated to any agency.**

3. Prior experiences of district disaster management plan or district Development plans with GIS can be considered as relevant experiences also.

**Clarification – You are requested to share all your previous experiences and those will be duly examined and considered during technical evaluation by the Technical Evaluation Committee.**
